

KENT COUNTY WATER AUTHORITY

MINUTES OF THE REGULAR MEETING
OF THE BOARD OF DIRECTORS

July 20, 2023

A meeting of the Board of Directors of the Kent County Water Authority was held on the 20th day of July, 2023, at 3:30 p.m. at the offices of the Authority 1072 Main St., West Warwick, RI, in the Joseph D. Richard Board Room.

Treasurer Duckworth opened the meeting at 3:30 p.m. Board members Secretary Russel Crossman, Geoffrey Roussell, Brian Kortz, and Charles J. Donovan were all in attendance along with Executive Director/Chief Engineer David L. Simmons, Director of Construction John Duchesneau, Legal Counsel Patrick J. Sullivan, Esq. and Director of Human Resources and Finance Michael Lanfredi. Director of Operations Richard Burns was also in attendance.

Mr. Lanfredi led the group in the pledge of allegiance.

Approval Of The Minutes

The minutes of the board meeting held on June 15, 2023 were presented for approval. Mr. Rousselle moved the approval, seconded by Mr. Crossman. The minutes were approved unanimously.

Legal Matters

CONE Receivership

Mr. Sullivan updated the board on the receivership at the Center of New England. He said the receiver proposed to make a distribution to creditors, but not all, prior to completing the roadway improvements. Several claimants have objected to the proposal, including Wal Mart and the Town of Coventry. A hearing was scheduled the day of the meeting. Mr. Sullivan advised he would update the board at the next meeting.

PFAS Litigation

Mr. Sullivan advised the group that the settlement process had begun with a proposed \$10 billion settlement from 3M. He said he received an update from the attorneys that there was a hearing last Friday to approve the preliminary settlement. He advised that he received nearly 400 pages of updates on the day of the meeting that he would sift through and update the board at the next meeting. He said the next hearing would be a “fairness hearing” to determine if the settlement proposal is fair to the group of plaintiffs.

Director of Human Resources and Finance Report:

Closing Report June Cash Report

Mr. Lanfredi, Finance Director, explained and submitted the financial report. He reported on the Cash Receipts and Disbursements and Statement of Cash Location FY 2022-2023 as of June 2023 and Statement of Revenues, Expenditures, and Changes in Fund Balance as of June, attached as exhibit “A”, and a thorough discussion ensued with regard to the sales and revenue.

Mr. Lanfredi discussed the delinquencies, payment plans and shutoffs.

Mr. Lanfredi then discussed the shutoff activity.

Mr. Lanfredi also updated the board on the Invoice Cloud that went live on July 3, 2023. He said it expands the ways the customers can pay their bill. He said it was a smooth roll out and they are happy with the new credit card processor.

Mr. Rousselle moved, seconded by Mr. Crossman, to accept the reports and attach the same as an exhibit and that the same be incorporated by reference and be made a part of these minutes.

Upon Motion duly made and seconded, it was unanimously,

VOTED: That the Cash Receipts and Disbursements and Statement of Cash Location FY 2022-2023 as of June 2023 and Statement of Revenues, Expenditures, and Changes in Fund Balance as of June 2023, attached as exhibit “A”, be approved as presented and be incorporated herein and are made a part hereof.

Personal Privilege and Communication

Mr. Donovan asked Mr. Simmons of the need to schedule a meeting for the Warwick issues that remain. Mr. Simmons said he would, and that the issues were fluid, which made it a moving target.

Mr. Donovan said there was a reference to Walker Ridge in the last months minutes and asked Mr. Simmons to update him. Mr. Simmons said KCWA was negotiating with their HOA to update their pump station to KCWA standards, and then KCWA could enter into a maintenance agreement with their HOA to go forward from there. Mr. Simmons said KCWA had engaged Harper Haines to conduct an assessment, which they did, and KCWA awaits the costs. He said he would then pass that information along. He said Walker Ridge would maintain ownership of the assets, and KCWA would maintain it for a fee. This approach would not interfere with the restrictive covenants that governs the water provision for the subdivision.

EXECUTIVE DIRECTOR/CHIEF ENGINEER'S REPORT

ONGOING PROJECTS

IFR 2021-22: Update

Mr. Simmons showed the board a graph showing the historical sales and usage of the authority. He said sales were increasing, however that didn't necessarily translate into equivalent higher revenues from retail sales as a large portion of the water being sold as presented is wholesale. He stated that as an example, Quonset Development Corporation, is currently our largest draw of water and it is being billed at an PUC approved wholesale rate which is less than the retail rate.

Mr. Burns updated the board on the construction activity. He said the Pontiac PRV was up and running. He said Johnson Blvd. was resurfaced. He predicted that East Ave. and Pike St. should continue all summer long, and that includes Cowesett Ave. as well.

Meter Change out Program: Update -Large Meter Program

Mr. Simmons updated the board on this topic. He said there were 46 meters remaining to be installed. He said 15 were surveyed just today.

Office and Maintenance Facility : Construction Update

Mr. Simmons updated the board on the progress of the new facility. He showed still photos of the building's progress. Mr. Duchesneau said the roof was on, the floor was poured, the siding was up, and the project was on schedule. He said in a week or two, the progress should start to pick up, with interior work being worked on.

Legislative Update: PFAS Bill H5861 Sub A & Lead Bill H5007 Sub A signed by Governor

Mr. Simmons gave the legislative update. He said H-5861 became law setting the maximum contaminant level (MCL) at 20. It requires water companies to sample the PFAS level. He said the EPA is looking to set the MCL at 4.

The next bill, H-5007 is called the lead poisoning prevention act. It calls for the replacement of lead and galvanized pipes. He said the authority inventories the pipes during the meter replacement program. They are going to prepare a map that outlines the locations of the lead and galvanized pipes.

East Greenwich Well: Design Update – Incorporation of PFAS treatment Action Item:
Contract Addendum 2 -Facility Design Services– Pare

Mr. Simmons said the EG Well needs to be redesigned. He said this addendum deals with a full-blown design for PFAS removal. He said North Kingstown is interested in working with KCWA as they have the same problems. He said they are doing model runs to see if they want to get onboard. He also said the partnership makes sense for North Kingstown as it brings complete resiliency to the community as PWSB has no PFAS water. The contract addendum is to Pare's contract and the cost is \$248,000.00.

Mr. Kortz asked if the existing building and design could be salvaged. Mr. Simmons said the conceptual data for greensand filtration for iron and manganese will be reused, but Mr. Simmons said reworking the existing building may not make sense for the updated project design which includes and bank of filters for PFAS removal. The team will try and work with the existing infrastructure as practically possible from a logistical and financial standpoint. He stated as hard as it is to do, it may actually be less expensive to start fresh in some aspects of the design to efficiently accommodate the PFAS removal at scale. This become even more of an issue with the possible partnerships with North Kingstown and QDC.

Motion made by Mr. Rousselle, seconded by Mr. Donovan, to approve the contract addendum to Pare for \$248,000.00 for facility design services.

Motion made and duly seconded, it was unanimously

VOTED: That KCWA approves the contract addendum to Pare for \$248,000.00 for facility design services.

There being no further business before this board, on motion duly made by Mr. Rousselle, seconded by Mr. Crossman, and carried, the meeting was adjourned at 4:10 p.m.

Dated: August 17, 2023

Patrick J. Sullivan
Legal Counsel
